

Greater San Diego City Tennis Council

Criteria for receiving funding grants from the Greater San Diego City Tennis Council for court repairs and resurfacing with potential for net replacements and windscreens:

- Public tennis courts located in San Diego County such as Parks & Recreation facilities and public schools
- Tennis courts open to the public for recreational play; school courts must be open after school hours and on weekends
- Prefer “actively used” tennis courts with existing recreational play and programming such as clinics, group/private lessons, summer programs, leagues and tournaments
- Prefer one or more tennis existing “ambassadors” at given site, such as tennis teaching professionals overseeing and/or performing court maintenance
- Regular tennis court maintenance including sweeping, using leaf/debris blower and court washings
- Prefer meaningful funding contributions to be provided by the city, county, school, school district and/or others

To nominate a facility for grant consideration visit:
